

Hurricane Katrina. August 29, 2005.

WE NEED YOUR HELP.

WHO WE ARE.

4Paws Rescue Team is a dynamic, community based all-volunteer organization that takes in neglected, abandoned and unwanted cats and kittens. Since inception in 1995, **4Paws** has rescued almost 5,200 felines. In 2005 we expect to find permanent, loving homes for at least 400 more.

4Paws is a “no-kill” group. This means that once we rescue an animal he or she will never be euthanized except out of medical necessity. We keep them until they find their perfect homes!

4Paws is a not-for-profit organization. We have no office; not a single cent is paid for salaries. Most of our funds (93% last year) are used to directly benefit the cats—paying for vet services, pet supplies, etc.

WHAT WE NEED.

4Paws Rescue Team has given sanctuary to fifty cats made homeless by Hurricane Katrina. We have addressed their basic needs—they are safe, dry and no longer hungry. Now we need your help to give them the care and comfort that they deserve—many have ongoing medical issues needing veterinary care, all of them need a place to temporarily call home until they can be reunited with their owners or adopted into new forever homes.

Donations. The initial vet costs as well as ongoing care for the fifty feline refugees of Hurricane Katrina is overwhelming. Please help by sending a tax deductible donation to the mailing address below. Or you can donate online at www.paypal.com using our email address, info@fourpaws.org.

Foster Homes. We are desperately in need of temporary foster homes for these feline refugees. All you need is a room where you can keep the cat separate from other pets—providing a loving environment where these cats that have suffered terrible loss can start to feel safe again. We are asking for a three month commitment—allowing time for us to look for original owners or, if owners cannot be found or can no longer care for their pets, new adoptive homes.
